EXCESS PROGRAM

Excess Liability, up to $5 million

Follow-form excess on A.M. Best "A" rated paper, available in all states. It sits over the Professional Liability and General Liability coverages only, and is available on any class of business we can consider on a primary basis.

EXCESS LIMITS UP TO	MINIMUM PREMIUM	AVAILABILITY
$5 million	**$3,500**	**All states**
Depending on attachment point	Per million	Claims-made follow form

✓ **Supported or unsupported.** Grayson does not need to be writing the primary policy in order to write the excess layer. Place the primary with another carrier and bring us in for the excess. Available limit depends on the attachment point.

WHAT TO SEND

01
Primary application
A copy of the application used to quote the primary. There is no separate excess application to complete.

02
Primary quote and specimen policy
Our excess premium is based on the primary premium, and we review the primary policy to confirm we are comfortable with the language.

03
Currently valued loss runs
With details on any claims.
